### 3. Booster Juice RDC Athlete of the Week:

**Women: Brittney Perry – Ladies Curling - Third**

Year/Program: 1<sup>st</sup> Yr/Business Admin

Brittney’s positive and upbeat team bonding style was a key factor in RDC’s defeat of Lakeland College, a team that went undefeated all year, to bring home the Bronze Medal!

### 4. Coaches’ Comments

Talbot Walton, Queens Volleyball

The Queens Volleyball team is about as ready as they can be for the upcoming CCAA Nationals in Calgary. The week has been successful in developing the mindset that the Queens will be using. They start of the tournament against a perennial team, FX Garneau. This match will definitely tell the Queens a lot about the rest of the weekend, FX is a good ball control team. However, the Queens match up really well against them. The experiences that the Queens have played through this season, will undoubtedly be their number 1 reason for success. They will draw upon all the events that have lead them to this point. It is Nationals and that is what we have been training and playing for.
