

ACAC Athletes of the Week

October 11 - 17, 2010

Joey Vandervet NAIT Badminton

Joey got his season off to a fast start this past weekend at the first ACAC tournament posting a 10-1 record. He teamed up with veteran partner Jonathan Chang to win the men's doubles event, won the mixed-doubles event with long-time partner Sinead Cheah and finished 3rd in men's singles.

"Joey played well this past weekend," said NAIT Head Coach Jordan Richey. "His desire to win showed as he won two events despite not being completely healthy".

Joey is a 3rd year student in his final year of the Medical Radiology Technology program. His hometown is Brantford, Ontario.

Congratulations Joey on an outstanding weekend!

Montanna Noyes Red Deer College Women's Hockey

Montanna is a fierce competitor for Queens Hockey and practices as hard as she plays. After struggling in the RDC home opener against SAIT the team made some key line changes that found Montanna and her new line mates gelling right away in their first game together. With some great heads-up plays by her teammates Heinemann and Froehler and great individual effort and skill, Montanna recorded her first ACAC "hat trick" and topped it off by adding one more for four goals in the Queens 5-4 loss against the Trojans on Saturday night.

Montanna is a 2nd year hockey player taking Kinesiology & Sport Studies at Red Deer College. Ms. Noyes is from Onoway, AB.

Congratulations Montanna on being named Athlete of the Week!
