**Katie Graves - Queens Volleyball**

**Hometown: Lacombe, AB**

**Year/Program: 3rd Year / Bachelor of Science**

**When it comes to playoffs and finding that next level of higher play, there are few athletes that can match Katie Graves in determination. Entering into the CCAA Women's Volleyball Championships, the Queens knew that their leaders had to play big. Among other, Katie was eager to rise to the challenge. Numerous times throughout the weekend, the Queens would have their backs against the wall, and Katie would respond with a kill or an amazing defensive play. She was a difference maker in helping the Queens finish with a CCAA bronze medal win. Katie finished the weekend with a Player of the Game award, and was also named as a Tournament First Team All Star.**
