

# RDC Athletes of the Week Jan 25 - 31, 2009

**The BOOSTER JUICE Female Athlete of the Week**

**Robyn Brouwer - Queens Volleyball**

**Hometown: Red Deer, AB**

**Year/Program: 3rd Year / Disability & Comm. Services**

Being in her final weekend at RDC, there was little doubt that Robyn would play her very best. She finished the weekend with 25 defensive digs, 1 player of the game, and some high-light defensive play. Being a libero that leads by example, Robyn has been a natural fit to the style and intensity that the Queens expect.

**The BOOSTER JUICE Male Athlete of the Week**

**Mitch Irvine - Kings Volleyball**

**Hometown: Red Deer, AB**

**Year/Program: 1st Yr / Education**

Mitch Irvine continued his dominant play in a weekend split with Briercrest College. Mitch has consistently been putting up impressive numbers for the RDC Kings Volleyball team this year, which is all that much more impressive considering he is a first year college athlete. His totals over the two matches (9 games) were: 34 kills, 2 blocks, 8 service aces, and 19 digs, and 2 player of the match both days.
