RDC in New York

May 14—21, 2012

The Program

New York City has long been a centre of international art.

On this tour we will explore both the Contemporary Art World, as well as the bastions of the art history of the 19th and 20th Centuries.

Come with us as we visit The Museum of Modern Art, The Metropolitan Museum of Art, The Guggenheim Museum, The Whitney Museum of American Art and PS1 Contemporary Art Centre.

We will also explore the Chelsea District, with its dozens of smaller professional galleries, and tour other amazing New York landmarks: Central Park, The Empire State Building, and more.

Our days will consist of both group activities and optional independent exploration

If you are interested in Contemporary Art, Art History or simply exploring one of the great cities of the world, this is the tour for you!
