ADMISSION AND TRANSFER INFORMATION

NEW TRANSFER (COLLEGE) ADMISSION: If you have completed three or more transferable courses (18 credits), you are considered to be a New Transfer applicant. Admission requirements vary depending on the number of transferable, post-secondary courses completed:

Eight or more transferable courses

- Admission GPA of at least 2.00 on the U of L 4.0 GPA scale, calculated on all completed, transferable, postsecondary courses.
- High school credentials are not required.

Five or more (but fewer than eight) transferable courses

- Basic high school admission average of at least 60%, calculated on five appropriate 30-level high school courses (see Part 1 – Admission, in the 2011/2012 U of L Calendar).
- Admission GPA of at least 2.00 on the U of L 4.0 GPA scale, calculated on all completed, transferable, postsecondary courses.

At least three (but fewer than five) transferable courses

- Basic high school admission average of at least 60%, calculated on five appropriate 30-level high school courses (see Part 1 – Admission, in the 2011/2012 U of L Calendar).
- Admission average is determined using a weighted average of the high school admission average and all completed transferable, post-secondary courses.

Please note that some programs are competitive and possession of the minimum Admission Grade Point Average does not guarantee admission.

MINIMUM GRADE: The minimum transferable grade for an individual course to the University of Lethbridge is a 'D'; however a higher grade may be required for courses in some programs to meet degree requirements.

APPLICATION AND DOCUMENT DEADLINES: The University offers admission to qualified New Transfer applicants prior to the application deadline. You are encouraged to apply well ahead of these deadlines. For detailed information, contact the Admissions Office at the University of Lethbridge at 403-382-7134.

Courses taken at RDC in Spring or Summer terms that immediately precede your admission to the Fall term at U of L will *not* be used for admission purposes due to the U of L document deadline.

REPEATED COURSES: If you repeat a course at RDC, only the grade for the last attempt is used in determining the U of L Admission GPA.

INTRODUCTORY-LEVEL COURSES: A maximum of 30 transferable credits which transfer to the U of L at the 1000 level will be counted towards the degree. The University of Lethbridge does not grant transfer credit below the 1000 level.

RESIDENCY REQUIREMENT: To meet degree requirements, a minimum of 20 courses (60 credit hours), including the last 10 (30 credit hours) taken for credit toward the degree, must be taken at the U of L. Students are required to complete half of the required courses in the major at the U of L. Therefore, for example, a 13-course major would mean that a student must complete a minimum of seven courses in the major at the U of L.

YEAR OF THE CALENDAR: Students who are continuously registered at RDC are normally admitted to the U of L under the current U of L Calendar. However, with respect to program requirements, RDC students may be treated as if they had been continuously registered at the U of L during the period in which they attended RDC. Students are governed by the current U of L Calendar in all other aspects (e.g., admission, fees, and general liberal education requirement). For more information, see the 2011/2012 U of L Calendar or contact the Registrar's Office and Student Services at the University of Lethbridge for more information (403) 320-5700. Students requiring RDC Academic Planning Guides for earlier years may access them online at <http://www.uleth.ca/ross/cppgs/rdc/cppg.html>.

STUDENTS WHO HAVE PREVIOUSLY BEEN REQUIRED TO WITHDRAW: Applicants who have been required to withdraw from this or any other post-secondary institution will not be considered for admission to the University of Lethbridge until at least one full year has elapsed. Applicants who have been required to withdraw more than once will normally not be considered for admission. However, recent evidence of superior transferable work and individual circumstances will be considered. Contact the Registrar's Office and Student Services at the University of Lethbridge for more information (403) 320-5700.

PLEASE NOTE:

Please be aware that you are responsible for ensuring that your registration is complete and appropriate and that your course choices comply with the program to which you have been admitted at Red Deer College and/or to the university to which you wish to transfer (if applicable).

You are cautioned that any changes to your courses, your major or your transfer destination may adversely affect your transferable credit (if applicable), admission requirements for future programs, or eligibility to graduate from Red Deer College. Please consult with an academic advisor if you have any questions.

The function of academic advisors is to provide students with information and resources that enable them to make informed decisions relevant to their education. These resources include the Red Deer College Calendar, the Academic Planning Guide for your chosen program and destination university (if applicable), the Alberta Transfer Guide and the calendar and contact information for your destination university (if applicable). Academic advisors will assist you in interpreting information from these resources or refer you to your destination university if appropriate. Students in university transfer programs are strongly advised to refer to the calendar of the university to which they wish to transfer and should contact appropriate university departments as required.
