Opening a Bank Account

To open a bank account in Canada, you will need your passport, RDC Student ID card, proof of registration at RDC and documentation verifying your address in Canada (such as a phone bill or residence contract).

Depending on the bank, you may need to make an appointment to open an account.

Most banks have special rates for students and offer Internet or telephone banking services that you may use to pay your tuition.

Transferring Funds to Canada

You can wire transfer money into your Canadian bank account from your home country. Obtain a bank draft for the amount you wish to transfer and bring it with you to Canada. Before making the transaction, you should ask how long the transfer will take, as Canadian banks can place lengthy holds on deposits (sometimes up to 20 business days). Remember to keep copies of all transaction records for future reference.

For students who wish to wire money directly into the RDC account (Re. tuition payments, etc.) please contact the International Department for information about where our bank account is held at.

Please include your full name and student ID # on your transfer documents, so that we may track your payment and apply it to your account.

Once you have made the deposit please email confirmation to: rosanne.paziuk@rdc.ab.ca. In your confirmation include the following information:
Date and amount of the deposit and your Red Deer College Student ID number.
