Goals:

- Communication: development of an effective information system that connects our members and shares messages about alumni events and program opportunities.
- Service to Alumni: develop and deliver programs and support services to meet or exceed the needs of our alumni
- Service to the College: develop programs and resources that support the strategic direction of Red Deer College.
- Financial Capacity: to ensure we have sufficient resources to do what needs to be done, now and in the future.
- Partnerships: build a network of students, organizations and the Red Deer Community, to further the Red Deer College Alumni vision/mission.
